Architect

About Me

Architect with a technical-commercial profile, specialized in comprehensive client management for luxury architecture and interior design projects: from prospecting and proposal development through sale closing and after-sales service. Proven track record of meeting commercial targets and growing average ticket size, with a strong focus on detail and client satisfaction.

Skills

Consultative sales and after-sales service · Lead prospecting and management · Comprehensive client management · Proposal development (2D/3D, renders) · Material and finish specification · Project coordination · Achievement of commercial targets

Experience

DOMA

Sales Advisor

February 2026 - Present

Comprehensive client and project management, from prospecting and lead development through final delivery. Development of 2D/3D design proposals and renders, and finish selection guidance. Site coordination ensuring proper execution and ongoing client attention. **Achievements:** Effective management of high-requirement clients while maintaining service quality. Met commercial metrics and targets with measurable sales results.

International Academic Exchange — GRETA, France — 2024 - 2025

4.13

Sales Advisor

January 2023 - November 2024

Interior designer at a kitchen and closet design and retail company. Comprehensive project management from first contact through delivery, design proposal development, and material selection. Responsible for sales and after-sales processes. **Achievements:** Optimized design proposals and sales strategies, driving conversion and project closing. Met commercial targets with continuous improvement in client service.

BoConcept

Interior Designer

December 2021 - July 2022

Personalized client advisory on interior design projects and furniture selection. Design proposal development, attention and follow-up during sales and after-sales, and lead meeting management. **Achievements:** Consistent achievement of commercial targets, growth in basket size, and recognition as top seller for three consecutive months.
